

In the US, B-F employees have the opportunity to purchase vehicles at special pricing from **Audi, BMW, Chrysler, Ford, General Motors, Infiniti, Mercedes, Nissan, Volkswagen and Volvo!**

It's as easy as 1 – 2 – 3!

1) FIRST, link to the manufacturer's web site to obtain an identification number or certificate as required and choose a participating dealership within the US.

2) Visit the participating US dealership and identify yourself as a program participant, presenting the manufacturer identification number or certificate, along with your B-F badge or paystub as proof of employment.

3) Select the vehicle that is right for you and the discounted price will be applied. It's that easy!
