

New Web Site – New Service!

Your Brown-Forman Credit Union has a brand new web site and brand new service for you and your family! Announcing Home Banking! Now your credit union can be on your desktop, or at home with you. Home Banking provides you with 24 hour access to your account information from any Internet connected computer. From a secure online section, you can view account balances and account history, transfer funds between accounts, balance your account, and change your personal access password. All you need is a PC and an internet service provider. Also, there is no fee. Home banking is easy, secure and affordable!

How do I Sign Up?

Go to the Credit Union web site. Open your browser and type www.bfecu.com in the URL. This takes you to the Credit Union web site. You can also click on the Credit Union link on the *References and Resources* tab on the BF Portal. Once you access the web site, follow the steps listed here:

1. Request your Home Banking password. Click on **Sign Up Today**, or **Home Banking Sign Up Form**.
2. Complete all of the fields. Your account number is your SSN. If you make an error, scroll to the bottom and click the **Erase** button.
3. When you are finished, click the **Submit** button.
4. Once you have acquired a password, you can logon to Home Banking by entering your account number and password in the Login area on the Credit Union home page.

View Account Details – The detailed activity of your share accounts is available by clicking on the **details link** for the individual share account, or by clicking on the **Account Details link** in the *Account Access* box. The account details screen displays the following transactions: the date the transaction cleared, the payroll deduction deposit into your share account, and the dispersal of that deduction to your various share and loan accounts. The **Select Transactions** area of the screen lets you select the time periods and dates of transactions. You can also search for a specific transaction.

Transfer Funds – You can transfer funds between your Share and Loan accounts online. Transfers entered after 4:00 PM are effective the next business day.
